REQUEST FOR FILING RECEIPT AND FOR
NOTICE OF ACCEPTANCE OF APPLICATION UNDER 35 USC 371

Commissioner For Patents
Box PCT
Washington, D.C. 20231

Sir:

With respect to the identified patent application, applicant respectfully requests a filing receipt correctly showing all seven (7) inventors, and also respectfully requests a Notice Of Acceptance Of Application Under 35 USC 371.

The Patent Office objected to the declarations filed on 19 February 2002. In timely response to the objection, applicant filed a new declaration on 03 October 2002. To date, applicant has not received an updated filing receipt naming all inventors.

Additionally, to date, applicant has not received a Notice Of Acceptance Of Application Under 35 USC 371.

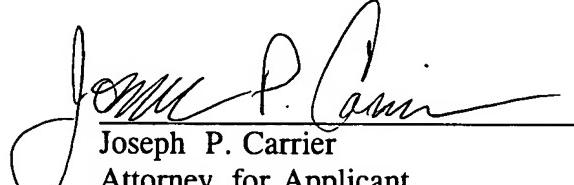

Copies of the application data currently available through PAIR are enclosed. Perhaps significantly, the PAIR data (1) does not acknowledge receipt of the new declaration in October 2002; (2) indicates a "U.S.Filing or 371(c) Date" of "01-01-0001";(3) lists the 7 inventors only as "Akedo,"; and does not indicate that the application has yet been assigned to an examiner.

Accordingly, because the required declaration was filed more than 6 months ago, and

because the application was filed more than 14 months ago, applicant respectfully requests the issuance of an updated filing receipt and a Notice Of Acceptance Of Application Under 35 USC 371.

Favorable consideration is respectfully requested.

Respectfully submitted,

Joseph P. Carrier
